- Music and Movement
- Last Day of Summer Camp

Wednesday - 13

- BACK TO SCHOOL DAY!!!!

MY PLACE SUMMER CAMP 2025 GUIDELINES

Blast Off into an Out-of-This-World Summer at My Place Early Learning Center!

We're launching an exciting lineup of intergalactic activities
designed to ignite curiosity, creativity, and fun for our summer campers.

Mission Highlights:

- Splash Days to stay cool on our space travels.
- Kindergarten Readiness Program for our Pre-K cadets!
- Spanish & Sign Language classes for all young astronauts!
- S.T.E.A.M. Projects Hands-on Science, Technology, Engineering, Arts, and Math adventures!

Mission Enrollment Details:

- Limited Spots Available. Enrollment is on a first-come, first-served basis.
- Activity Fees Cover registration, supplies, enhancement lessons, and all cosmic activities. Activities are subject to change.

Flexible Space Travel Schedules:

- Full-time Mission: 5 days per week
- Part-time Exploration: 3 days per week (must be the same days each week).
- Families may pause their mission (skip weeks) if noted upon enrollment.

Important Astronaut Preparation Notes:

- Sunscreen & Insect Repellent required for outdoor activities. Parents must provide these with a signed permission form for application.
- For Splash Days children must pack a change of clothes, dry shoes, water shoes (no crocs or flip-flops), a towel, and sunscreen.
- Safety is Our #1 Priority. All campers must follow the space station rules to ensure a safe and stellar summer.
